leans from the Ground
Spring 2018 Newsletter

In December 2017, New Ground was awarded a $20,000 grant from Capital One. These funds support our Veterans Program and the work done by New Ground in areas of career development, financial literacy, and education advancement for the homeless Veterans, parents and youth we serve. This is part of the Future Edge Initiative by Capital One, with a focus on helping more Americans thrive in the ever-changing digital economy. Such support is critical for those living in homelessness and poverty as they struggle to take steps to advance their education, career and finances so they can move forward successfully and secure an independent and self-sufficient future for themselves and their children.

Thank you Capital One for making a difference in the lives of so many in need on Long Island!

New Ground Receives Grant from Capital One
New Ground will host its 23rd Annual Golf Tournament and Dinner on Monday, June 13 at the Cherry Valley Club in Garden City. We are very grateful to our hosts this year, Frank Verge, Senior Loan Officer at Enterprise Home Finance in Huntington, NY. Having joined Enterprise in June 2014, Frank plays a significant role in helping our customers find the right mortgage. In his spare time, Frank enjoys volunteering and supporting various community activities.  

The Sagamore Service Troop was founded in 1923 by a small group of adults at the H. P. Whitney estate in Wheatley Hills, Long Island. Frank is a strong believer in building relationships that last a lifetime. He takes great pride in helping customers find the solutions needed to achieve homeownership very quickly and with ease. With his knowledge of the mortgage industry and customer needs, Frank enjoys sharing his knowledge with his friends and family. He enjoys playing softball and fly fishing during his free time.

In addition to hosting events on New Ground, we have added many new locations to impact more of those in need. These locations continue to work with the Northeast VA’s HUD-VASH (Veteran Affairs Supportive Housing) Program and Veterans Advocacy Programs to take place monthly at the Northport VA and two housing locations with concentrations of VASH households. We are currently evaluating additional shelters in counties in which we have strong relationships with homeless shelters and other service providers, and we need to identify new opportunities in the community to allow us to reach more people. This year, our new workshops focus on critically important and ever-changing topics. Feedback has been extremely positive and we continue to add more creative and innovative programs to help people.

We maintain that the key to breaking the cycle of homelessness is not only to provide short-term assistance to homeless families and veterans, but to work at eliminating its root cause so these individuals can stabilize, self-sustain, and self-support. We identify, and then respond to, those at risk with programs that provide educational, technical, and emotional support.

The 23rd Annual New Ground Golf Tournament & Dinner

We have continued to expand the work of New Ground, in addition to placing focus on Veterans and families struggling on Long Island. Over the past one year we have dramatically increased our Adult Workshop Program, adding topics and topics that Social Worker Sabina Banerjee has created. The monthly schedule of workshops varies each month, and we now have a variety of workshops to offer our clients.

New Ground’s annual Golf Tournament includes golf, raffles, competitions on the course, cocktail, raffle tickets, and dinner. Additional dinner tickets and raffle tickets are available for purchase. For more information, please contact New Ground executive director Shannon Boyle at newground.org or call us at (516) 646-6306.
